

Product Specification

Construction

Housing : Nylon PA66
Terminal : Brass H62 Nickel

Specification

Rating : 250V, 10A
Withstanding Voltage : AC 200V/ 1 minute
Insulation resistance(initial) : 100M Ω (min.) at 500V DC
Temperature Rating : -25°C ~ +70°C

				Description:	General specifications for DC power jack.
